## The Nipper News

- Branch Carnival at Elouera last Sunday was postponed due to bad weather. For all those Nippers registered to compete, Sunday March 7<sup>th</sup> at Elouera will be the new date for the Branch Carnival.
- A reminder to our new SRC group, that you need to attend muster as usual, and then we will proceed down to Patrol directly following. Make sure you are in your Patrol uniform.
- We have been receiving a fair bit of inquiry regarding registrations for the remainder of the Nipper season. Should anyone ask, and so you know... We have closed registrations for this season; registrations for next season begin September/October.
- If anyone has borrowed any Nipper boards or equipment, please return as soon as possible.
- As an important note, once Nipper activities on Sunday have concluded, all equipment, especially the Boards, must be returned to the storage container. No boards may be kept, borrowed, used without permission of the Gear Steward.
- A note to all **PARENTS!** A successful Nippers program is very dependent upon the assistance and commitment of the Parents. Whether it is Water Safety, Age Managing, Surf Sport Officials, BBQ, etc. etc. etc. There is certainly a role that all can participate as. I ask that should anyone like to get involved in helping our Nipper program (and your Kids), please speak to, or contact Michael Gencher ([juniors@bondisurfclub.com](mailto:juniors@bondisurfclub.com)) about how to get involved.
- The JAC has organised a photographer to take pictures this weekend for the JAC annual. Please make sure the Kids are at Nippers & in Uniform.
- Please be considerate! Parking is not permitted in front of the boatshed, or in the BBQ area.
- Adults are not to use Nipper Boards. They are not designed to take the weight of an adult, and as a result are being damaged. Only proficient Active Members / Bronze Medallion holders are permitted to use any of the Club Boards.
- Again, check your details!!! As we have been mentioning for the last few weeks... Please check that you contact details are correct. On Sunday, we will again have the current contact list set out for you to confirm your details. If they are correct, please indicate such. If they are incorrect, please enter the correct details. This data base is our way of getting information & correspondence to you!

2<sup>nd</sup> –

3<sup>rd</sup> –

Number of starters = 1

### **S Grade**

Raewyn Tippett & Doug Johnson

Not the greatest of days, however, the water was warm, as was the rain. It was pleasing to see a goodly number of Champo starters front up for the Surf Race.

Keiran Speed has had an altercation with his Dermatologist & being unable to get wet, assisted in running the races, for which I thank him.

Ben gave a strong showing & his revised handicap next week will reflect his hard earned win. It was good to see Sarah, who is off again to South America with her husband. The trip sounded fantastic & we look forward to hearing all about it on your return. Another face we unfortunately do not see as often as we would like; is Terry who is always competitive.

B Grade is becoming the Millers race & this was only spoiled by an excellent swim by Emma.

Rory had no competition in C Grade & swam very well in B Grade.

As long as I have known him, I have been urging Doug to come down & join us. Hopefully like Larry this will now become a part of his Sunday mornings.

To everyone who made the effort, thanks & I look forward to seeing you next week, when we will run the second round of the Ron Turner, followed by the Jack Cox & Mick Shearman, in the coming weeks.

I propose after that to run three rounds of Master surf races & look forward to input from those who are interested.

The second round of the Club Championships went off well & once I have the placings' in the system, I will put them into this column. The 8 am start went off well for the enthusiastic group who attended. A big thanks to all the helpers, they being; Grant Veckranges (our Director of Surf Sports), Maggi ( now a veteran

at carnivals), Donna Godwin (a leading Patrol Captain, who is always happy to assist the Club), Ben Sutherland (who unfortunately due to a recent mishap was unable to compete in the water events) & Jacob Waks (our Fearless some would say fearsome Deputy President, although he did show he still has what it takes in the board race, where his skills had everyone cheering).

To my Patrol thanks for the assistance & patience. All in all a great Sunday morning.

Doc

## **Lifesavers with Pride – Entries still Open**

The Lifesavers with Pride are rehearsing at Bondi SLSC.. and we want to extend an invitation to anyone from Bondi SLSC to join in if they would like. The Lifesavers with Pride (Australia's national gay and lesbian lifesaving movement) first dazzled the crowd at Sydney's gay and lesbian Mardi Gras parade in 2006, and have grown enormously in numbers and popularity. Started by lifesavers across North Bondi and Tamarama, the LWP float has become one of the premier events in the Mardi Gras parade winning awards for the "Sexiest Event" in 2006 and "Best Choreography" in 2008.

To find out more about joining this fantastic event, see the Lifesavers with Pride blog <http://lifesaverswithpride.blogspot.com/>
