Explanation:

Since the formation of the first Australian Lions Club in Lismore 1947 and in Sydney in 1952, there has developed a close bond between our clubs. Lions value the volunteering spirit and dedication of your members and many Lions Clubs support your efforts to keep our beaches safe.

The Lions Clubs in Sydney and Australia are proud to have the Lions Clubs International Convention in Sydney and are looking forward to showcase the Australian way of life to 15,000 Lions and their families.

The Flag Ceremony is a very important event at each Convention where every country's flag – all 200 of them - are individually paraded in front of this world audience. Lions would like individual SLSC members to volunteer as Flag bearers to help us make this event one to remember for many years and a highlight of the Opening Session.

Surf Life Saving Club members are so very Australian. Lions know the standard of your Club's March Past Teams which provide your members with the knowledge and skills to present each of the country's flags with precision and respect.

I do hope several of your members would like to be a Flag bearer and be part of this International event, one of the largest annual convention gatherings in the world.

Flag bearers must attend at the Monday and Wednesday times.

2010-2011 MEMBERSHIP RENEWAL

It appears that some of you may not have received your renewal reminder or are having some problems with the on-line renewal and payment gateway. You basically have **THREE things to do... RENEW, UPDATE DETAILS, PAY FEES.**

Some people are doing one and not the others, i.e., renewing and not paying or paying and not clicking the renew field or updating and not renewing or paying. Go to www.lifesavingonline.com.au and follow the prompts to register, you choose your own username and password. Once registered you need to **RENEW** your membership, check through your details to make sure they are correct, click the acceptance in two places and **SUBMIT** your acceptance, you then choose **PAY ON LINE** and continue with your payment by credit card and if you are unsure of amounts there is a price list you can click on.

If you follow these steps you are not required to sign an SLSA membership form, however, we were recently advised that a Working with Children Check Form still needs to be completed and signed each year. This is a government requirement and cannot be completed electronically. When your renewal and payment is confirmed we will send you an email with the form attached for your completion and return at your convenience. A form is also attached, please see attached documents.

PLEASE NOTE: If the email address you are using is different to the email address we have listed for you on the Surfguard database, you will not be able to proceed. You will need to contact the office (9300 9270) to have this changed so they match. This authentication is performed to ensure the privacy of your information.

You will be emailed a link for security purposes that you must click on to activate your account. You may then log in and access your details and pay online.

Of course, if you wish to renew and pay your membership manually, please contact the club office as usual on 9300 9279. We look forward to hearing from you soon.
