Members \$100 / Non Members \$150

Set Up

Please be aware that if you choose to have us handle the setup on your behalf, a fee of \$40.00 per hour (totalling \$80.00 for 2 hours) will apply.

However, if you opt to perform the setup independently, there will be no additional charges.

Catering

Catering will need to be organised by yourself or your Events Co-ordinator,

The Club has preferred external Caterers (please ask the staff).

This cost will be separate from the room costs, the Caterer will invoice you separately

Entertainment

The Club can recommend various bands, DJs, performers etc

Cleaning Fees

The Clubhouse has a flat rate cleaning fee of \$200 + GST for all bookings.

This cost will be separate from the room costs, please discuss with club staff

We have a limited supply of tables & chairs available for use. The layout and configuration of these will be up to you to arrange. We ask that you leave the Blue Room furniture as you found it.

Security & Management Protocols

Disposal & Removal Fees

It is imperative that every event is equipped with a minimum of one employed security personnel present throughout the entire duration. The assigned security personnel will actively patrol the premises to ensure that attendees of your event are restricted from accessing the lower levels of the Club or attempting to exit through any of the designated fire exits.

Additionally, it is mandatory that all guests enter and exit the premises exclusively through the designated Blue Room entrance (unless otherwise agreed). These measures are implemented to uphold the safety and security standards of the venue.

All rubbish / food / boxes / balloons / flowers / decorations of any kind brought in by the Hirer or any of their Vendors must be removed from the premises.

If required, the Hirer must arrange for the delivery & pick up of their own skip bin with Waverley Council. Otherwise, the hirer will incur a removal fee of \$500 + GST.

If any item such as food / boxes / equipment / balloons / flowers etc. needs to be left overnight, there is a minimum overnight storage fee of \$200+ GST. Overnight storage is subject to availability of the premises the following day and will be determined based on what is being stored, this can be discussed with our staff.

It is the Hirer's responsibility to ensure the delivery and removal of all catering crockery and serving utensils prior to the end of the event booking time.

Additional kitchen cleaning fees will apply for any food and/or catering items that:

- are left behind without proper disposal
- are prepared for next-day collection without proper dish cleaning and sealed food storage
- leave a mess or smell on any kitchen surfaces, in fridges/freezers and on kitchen floors
- If you need to store food in the cool room prior to your event, please discuss it with the Club staff.

A \$500.00 security deposit will be mandatory and will be refunded following the Event

All fees must be settled before the Event
